Dear Harold:

Dave Saulsbury called me yesterday and said you'd be interested in seeing a list of the JFK-related books that are coming out this fall. I compiled this list when I was at the American Booksellers Association trade show in Miami last weekend.

I'm enclosing a copy of a recent article from "Publisher's Weekly" that mentions a half dozen or so books (including Livingstone), a list that I made of some other new books and reissues, plus photocopies of blurbs about some of the books.

Hope all is well with you and Lil. Dave and I would like to come out again soon, perhaps early on a Saturday.

Cordially,

AC
